When a pauper dies within the City's legal geographic limits, the City must bear the costs of the burial of those remains. In order to reduce the costs of the burial of paupers to the public, the provision of cemetery spaces within Cityowned cemeteries without cost is appropriate. Determining whether someone qualifies as a pauper is based upon the inclusion of the deceased on the parish list of paupers or those receiving assistance.

In this regard, we do not intend to recall or "overrule" La. Atty. Gen. Op. No. 94-564.

La. Atty. Gen. Op. No. 94-564 did not address this issue, it is our opinion that a potential conflict does exist between La. R.S. 46:571 and La.
