The transferee must file an application, within thirty days, after the sale or transfer of ownership or control of a cemetery authority, and meet all the requirements of this Chapter. The application for a certificate of authority shall be accompanied by the prescribed regulatory charge.

B. Transferees which fail to file an application for a certificate of authority at the time required herein shall, in addition to the prescribed regulatory charge, pay an additional late charge of fifty percent of the prescribed regulatory charge or one hundred dollars whichever is lesser.

C. (1) Upon the filing of a completed application, the transferee may operate the business until its
application is acted upon by the board. The board shall issue a certificate of authority to the transferee upon the transferee's compliance with all of the provisions and requirements of this Chapter.

(2) If the board refuses to grant the transferee a new certificate of authority, it shall inform the transferee in writing by registered or certified mail of the reasons therefor and the transferee shall be entitled to a hearing if requested within thirty days of receipt of the denial. The hearing shall be conducted in accordance with the provisions of the Administrative Procedure Act.

All monies received by the board shall be held by the treasurer of the board and shall be used to pay for services, machinery, equipment and supplies, travel and living expenses where necessary, and such other expenses as may be reasonably required in the orderly and efficient operation of the functions of the board.

If the board determines that an applicant is qualified for exemption, the applicant shall apply for an exempt certificate of authority on a form prescribed by the board, accompanied by an application fee of two hundred fifty dollars to cover the board's reasonable and ordinary expenses associated with determining whether the applicant is in compliance with applicable provisions of this Title.

The board shall assess a late charge of twenty-five dollars to any cemetery authority or person making the submission of information and payment of the prescribed fee after April first of the respective renewal interval.

(3) The board may reinstate a suspended exempt certificate of authority after April first of the respective renewal interval, if the cemetery authority or person submits to the board the required information, payment of the prescribed renewal fee, and the assessed late charge of twenty-five dollars.

F. At any time, if the board determines a cemetery authority or person no longer meets the qualifications to maintain an exempt certificate of authority, the cemetery authority or person shall begin the process of applying for a nonexempt certificate of authority, as required by this Chapter, within thirty days of receipt of written notice of the board’s determination of nonexemption.
